About Me:

Seeking a career in a company of professionals where I can learn and grow in a friendly environment and add value to the company as well as gain prestige for myself. Currently, I have completed MERN Stack Bootcamp by Frag Games organized by Techlift, P@SHA and PSEB. I learned Java and Front-end Development at J Freaks Software Solutions as internee. I have keen interest in a Software Industry to polish my skills and grow as a software engineer.

Professional Experience:

MERN Stack Developer Program (Frag Games) | December 2022 – February 2023

  Projects:
- Exercise Tracking app (CRUD operations using MERN Stack)
- Add to Cart (E-Commerce) and Calculator app using React Js

Front-End and Java Development (J Freaks) | July 2022 – Sep 2022

  Projects:
- Banking, toll plaza, Adventure game, bus Stand app in Java (Backend Development)
- Front End of webpages of products in core JavaScript
- Resolved Accessibility issues of Live Products
- Request domain data from Centralized Zone Data Service on ICANN

Education:

University of Engineering and Technology Lahore | 2017 – 2022

  Bachelors in Electrical Engineering   3.27/4.00

Government Boys College Rajanpur | 2015 – 2017

  F.Sc pre-Engineering   88.55%

Technical Skills:

- React Js, Mongo DB (mongoose), Express and Node Js
- HTML, CSS, Bootstrap (Responsive Websites)
- Languages: JavaScript, Java, Python
- Databases: SQL, No SQL
- Git, GitHub, Next Js, Redux, REST Api
- Programming Fundamentals, Object Oriented programming (Oop), Data Structure and Algorithm
- VS Code, MS Office, Scrum Methodologies

Interest:
